

## **Concord Piecemakers Quilt Show Gift Shop Inventory Form**

Please attach a price tag to every item you place for sale in the gift shop. Each tag must have a code (initials are fine - unless there are several people with the same initials), the selling price and the number of the line on which it appears in the inventory. This enables us to track your items for sale.

Please print your name, your code and your phone number on each inventory form. List every item and its price, one on a line, in the appropriate columns. Also indicate, for each item, whether it is a donation to the guild (Y) or not (N). The last column is for tracking purposes by the gift shop chairpersons.

If you have more than ten items, please copy this form according to your needs, adding numbers in ascending order. There should be only one of each number per code.
